Player 1 rolls a dice to decide the first move.

Moving our checker diagonally to an empty adjacent space.

Only your own checks are being & Moving

precisely and equally.

dump over your opponent's checker, landing in an empty space just behind it.

Check for more jumping opportunities to continue your turn, allowing

consecutive jumps.

After juggling over your parent's checker, their piece is

remembered for the good.

After your turn, your opponent takes their turn following the same rule.

Players alternate turns.

in subsequent games.

After the first game, the winner of the previous game typically goes first
